DANI ALKE I VELIKE GOSPE

DAYS OF THE ALKA AND THE ASSUMPTION

2019.

Poštovane sugrađanke i sugrađani, dragi gosti,

u prigodi 304. obljetnice Sinjske alke i slavne pobjede pod Sinjem uz Gospin zagovor, u suradnji s Viteškim alkarskim društvom i Samostanom Gospe Sinjske pripremili smo vam bogat i raznovrstan program pod nazivom „Dani Alke i Velike Gospe 2019.“, manifestaciju koja objedinjuje čitav spektar pojedinačnih kulturnih, zabavnih i športskih programa i projekata koji će se održavati tijekom srpnja i kolovoza u vrijeme kad se u gradu Sinju odvijaju alkarske svečanosti i proslavlja blagdan naše zaštitnice Čudotovorne Gospe Sinjske kojeg slavimo i kao Dan grada Sinja.

Skromno se nadamo da ćete u programu koji je pred Vama naći zanimljive i vrijedne sadržaje koji će pobuditi vaš interes i čije će praćenje uvećati zadovoljstva koja proizlaze iz sudioništva u ovim veličanstvenim događajima.

Srdačno Vas pozdravljam i radujem se našim budućim susretima.

Gradonačelnica
Kristina Križanac

Dear Fellow Townspeople, Dear Guests,

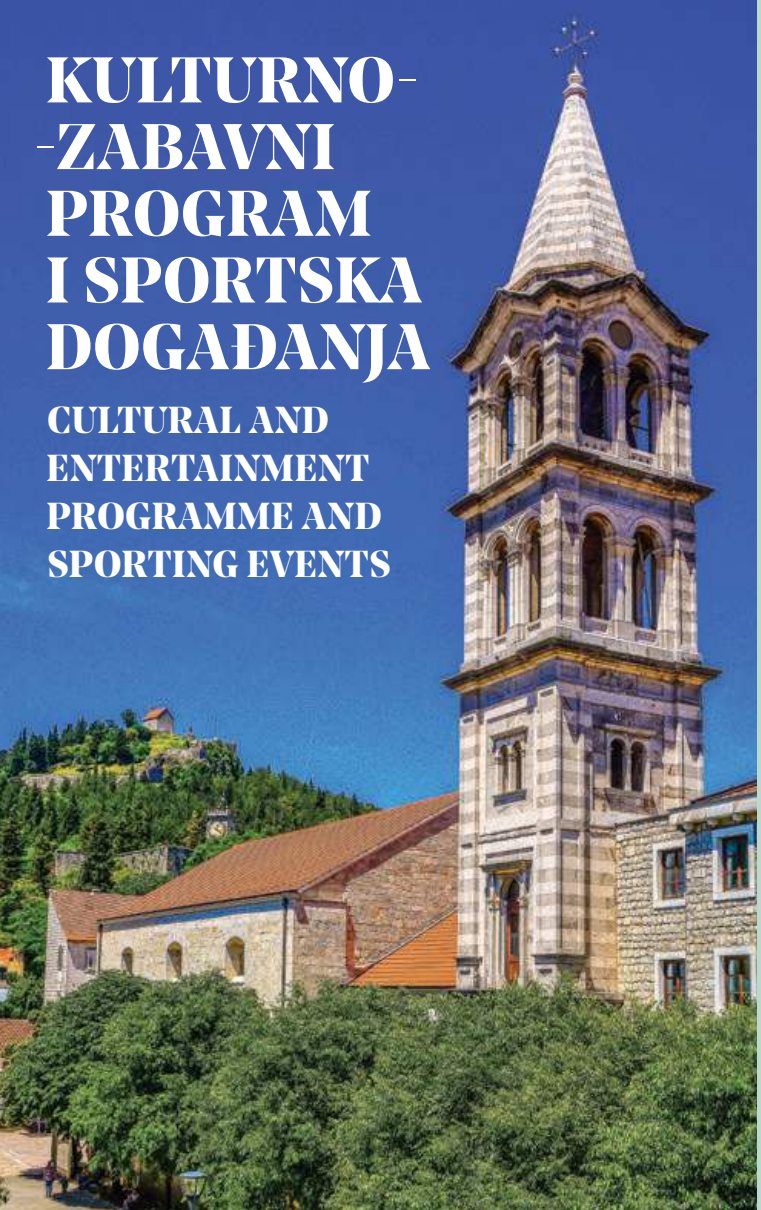

On the ocassion of the 304th Sinjska Alka and the glorius victory won in the battle of Sinj, we have prepared for you, in cooperation with the Alka Knightly Society and Monastery of Our Lady of Sinj, a rich and varied programme called the "Days of the Alka and Assumption 2019". The Programme comprises a broad range of cultural, entertainment and sports activities that will take place in July and August, when the town of Sinj celebrates the Alka ceremony and the Feast of the Assumption, the day dedicated to our heavenly patroness, Our Lady of Sinj, and also celebrated as the Day of the Town of Sinj.

We humbly hope that the event programme will arouse your interest and that you will benefit greatly from a sense of fulfilment, arising from the participation in these major events.

We look forward to meeting you again in the future.

Yours Faithfully,

Major,
Kristina Križanac

Na naslovnici:
Spomenik alkaru, kipara Stipe Sikirice, postavljen je 1965. godine prigodom 250. Alke. Nakon više od pola stoljeća odolijevanja različitim vremenskim uvjetima i nedaćama, spomenik je ove godine konačno restauriran i opet je zasjao punim sjajem.

On the front page:
Monument to an Alkar, a work of the academic sculptor Stipe Sikirica, was set on the 250th anniversary of the Alka in 1965. The monument was finally restored in 2019 after withstanding different weather conditions for more than half a century. It has been shining with full light since the restoration.
